|    | 52<br>↑ |         |         |         | ←       | 45<br>← | ←       | 95<br>↑ | 13<br>↑ |

## How to play

The aim is to find a path through the grid by visiting every cell once. The path is starting from the cell with number 1.

The path can jump from one cell to another in a horizontal, vertical or diagonal direction, but only in the direction of the arrow.

Some numbers have already been given.
